

# Hydraulic

Experience Empowerment

Based on our unique Modular Power System<sup>®</sup>, ANDERSEN Hydraulic Winches<sup>®</sup> create a solid foundation for distributing power throughout your boat. Smooth running and reliable performance are not the only advantages provided by ANDERSEN Technology – design and versatility are equally important aspects

of our products. Single-speed or 2-speed Hydraulic winches – it is your choice when using an ANDERSEN Winch model 46ST and up. Combining our winches with the Modular Power System and our Power Packs<sup>®</sup> provides you with all the power you need. We have developed a full set of data sheets containing all the detailed information you require to run your yacht.
