

Rope/Chain Anchor Rodes

- Designed for use with rope/chain windlasses
- ISO-standard, G4 HT hot dipped galvanized chain
- Stainless steel available in G4 size
- Windlass-grade premium nylon rope
- Treated for maximum abrasion- and snag-resistance and flexibility after constant exposure to saltwater and sun
- Unique tapered backsplice provides a smooth transition from rope to chain around the gypsy
- Hand-sewn whipping and heat-sealed strands

Custom Anchor Rodes Available Please Inquire

A unique tapered backsplice provides a smooth transition from rope to chain around the gypsy for trouble-free use on your windlass.

Premium Nylon	Chain Type	Chain Size	Chain Length	Rope Size	Rope Length
