Basic Safety Harness

31544 Large

31545 XXL

- Fixed waistband
- 6.6' (2m) tether with a single snap hook that attaches to the chest strap with a webbing loop

Adjustable Leg Strap

Philip Plisson ©

31559

- Fits all Plastimo harnesses except child's bolero models

Bolero Harness

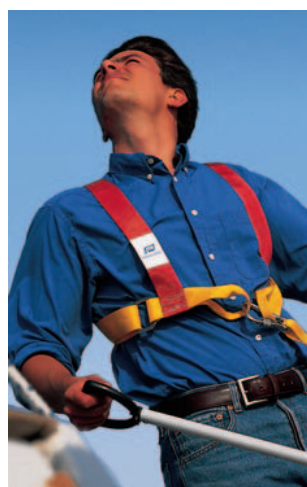

- Bolero vest with built-in harness
- Back support holds the shoulder straps in the correct position
- Stainless triangle attachment points and reflecting tape
- Child's models include a permanently integrated tether with snap hook that prevents the child from self-disconnecting at the chest. A chest pouch stores the tether when not in use

Model	Description	Size
31553	Child	XS (to 44lb)
31555	Child	S (to 110lb)
31552	Tether, 2 snap hooks	Adult (over 110lb)

Adjustable Safety Harnesses

Philip Plisson ©
