

T 8000
Breathable

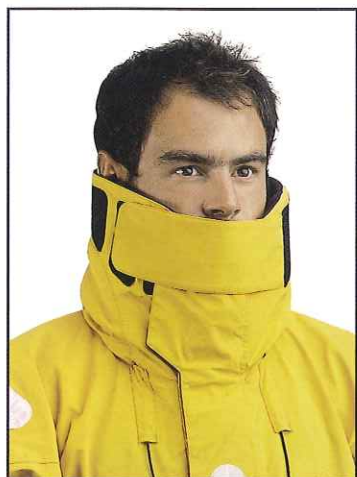

XM Ocean Features

- Engineered to provide optimum protection, superior comfort and absolute safety in the most prolonged, extreme conditions
- Constructed of hard-wearing 4-layer fabric with Durable Water Repellent finish
- Coated with a microporous-hydrophilic membrane
- Highly breathable and highly waterproof
- 4-layer breathable membrane technology eliminates the need for a lining
- Ultimate light weight and quick drying speed

XM OCEAN Jacket

- Kevlar® reinforced elbows, knees and seat for optimum abrasion resistance and durability
- Fluorescent yellow stowaway hood with high visibility stiff peak and drainage channel to deflect water from face and neck
- 3-way hood adjustment: width, height and face
- Fleece-lined, 8.6" (22cm) high wrap-around collar with fleece-lined, multi-position chin guard for extra protection
- Tunnelled drawstring allows hood adjustment for a snug fit around the face
- Adjustable double cuffs—outer cuff adjusts with elastic tightening tab; inner cuff waterproofness ensured by a polyurethane seal
- 2-way zip protected by a double storm flap and drainage channel
- Internal waist drawcord
- Adjustable hem tension
- Rear hanging loop
- 2 generous gusseted pockets with waterproof storm flap, pull-out-to-dry lining, drainage holes and keyclip
- Slanting pockets facilitate water drainage
- Articulated arms for comfort and mobility
- Reflective tape on shoulders, throat, cuffs and hood for improved visibility
- Inner zipped security pocket
- Flashlight pocket on left arm
- 3 loops to secure inflatable lifejacket

Fleece-lined, 8.6" (22cm) high wrap-around collar with fleece-lined, multi-position chin guard for extra protection

Tunnel for safety harness, with flap and tab to secure buckles

Fluorescent yellow stowaway hood with reflective tape for increased visibility. Drainage channel deflects water from face and neck. High visibility stiff peak. 3-way hood adjustment: width, height and face. Hood stows in collar with Velcro® closure.
